Annual
Report

Who We Are

MCIE is a nonprofit organization dedicated to promoting inclusive practices. Since 1988, we have served families and educational organizations to include children with disabilities in Maryland, across the United States, and internationally!

Equity

Mission

Our mission is to be the catalyst for the meaningful and successful inclusion of all students in their neighborhood schools.

Vision

We envision a society where neighborhood schools welcome all children, engage them in learning, and form the foundation for inclusive communities.

Strategic Imperatives

- Diversify funding
 - Develop staff and board leadership
 - Expand across the United States and globally
 - Develop effective, high-quality products and services
-

What We Do

- Consultation to State, district, and school leaders
 - School transformation and district systems change
 - Professional learning and coaching
 - Resource development and dissemination
 - Family consultation and information sharing
 - Individual student planning
-

Our Impact

Technical Assistance

30 schools assisted with systems change and school transformation over three states.

Over 20 Individual Student Planning Meetings.

Provided consultation, resource development, and technical assistance to 5 State Education Agencies.

Professional Learning

Over 100 hours of professional learning for 119 professionals and 108 paraprofessionals across 27 schools.

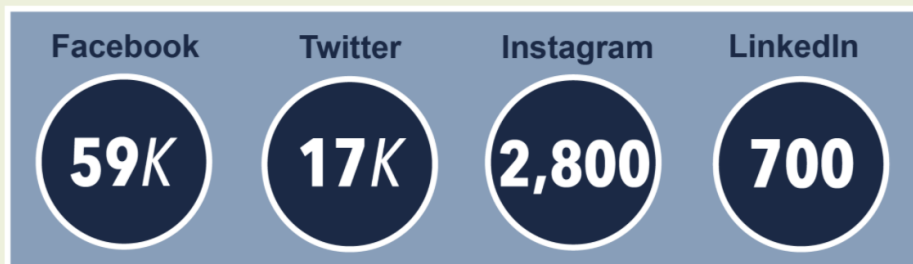

Communications
